CTA Braille Signs are manufactured in Australia by highly experienced specialists. CTA offers Standards approved products which conform to the Unified Braille Code, in a wide range of contemporary styles to suit your requirements.

CTA Braille Signs are available as the standard white on blue, or can be manufactured to complement a large range of colour schemes. They are available in standard acrylic, anodised aluminium and stainless steel finishes. CTA ensures that all elements of these signs including the colour contrast of specified colours, meet the requirements of AS1428.

CTA standard Braille signs are 'peel and stick', vandal resistant and a hygienically clean, flexible, continuous surface. These signs can be applied to all flat or curved surfaces, or added to existing signs.

CTA Braille Signs are the only Australian made signs to incorporate a 5mm luminance contrast border as specified in the BCA.

KEY FEATURES

- Conform to the National Construction Code (D3.6)
- Conform to the Unified Braille Code (UBC)
- Specified by Government Bodies and Architects
- Apply to flat or curved surfaces
- Impervious to a wide range of cleaning products and solvents
- Fire and Vandal Resistant
- Proudly Australian Made
- Full 3 Year Product Guarantee
- Can provide a Conformance Guarantee with each Braille Sign

PRODUCT OPTIONS

All CTA Braille signs are available in acrylic, anodised aluminium and stainless steel finishes. When ordering please append the product code with the material you would like to order, for example CTA37-AL for the aluminium example to the right.

ACRYLIC - AC

Accessible Wheel Chair / CTA37-AC
Size: 190 x 190 x 1.6

ALUMINIUM - AL

Accessible Wheel Chair / CTA37-AL
Size: 190 x 190 x 1.6

STAINLESS STEEL - SS

Accessible Wheel Chair / CTA37-SS
Size: 190 x 190 x 1.6

INSTALLATION

Easy 'Peel and Stick' install onto flat or curved surfaces. An optional screw-on backing plate is available for installation onto rough or irregular surfaces. Please request product installation instruction sheet for standards.

COMPLIANCE

All CTA products conform with the requirements of the Australian standards:

- AS1428 Design for access mobility
- Unified Braille Code (UBC)
- NCC - National Construction Codes

A certificate can be provided showing conformance guarantee with each sign.

WARRANTY

CTA provides a comprehensive warranty, in accordance with our published warranty statement which can be viewed on www.ctagroup.com.au.

CTA INSTALLERS

CTA's accredited installers are available to do the installation work for you – with short turnaround times and guaranteed workmanship, you can rest assured you are in safe hands.
