

# SureSteel® Plates

CTA SureSteel® Plates offer all the benefits of stainless steel including its appearance and durability, with the convenience and ease of installation of a prefabricated plate.

SureSteel® Plates offer the same high levels of safety and compliance as all SureSteel® products, with the highest slip resistance rating on the market and very high levels of luminance contrast, meeting all applicable standards.

For design flexibility, SureSteel® Plates are available in full stainless steel and also in the SureSteel® Select range. Stud insert colour options include ivory, yellow, grey, terracotta, blue, green and black – over a satin finish stainless steel base plate. SureSteel® Plates are available in 300 x 600mm sections which satisfy almost all installation requirements.

Custom sizes and shapes can also be provided. All plates are supplied ready-to-install, with pre-drilled and countersunk holes for quick securing.

## KEY FEATURES

- Marine-grade 316 stainless steel construction
- R13 slip resistance rating
- A range of stud insert materials
- Can be highly customised and shaped to suit many design options
- Exceed all relevant standards for safety and public access and comply fully with National Construction Codes
- Excellent for surfaces that are difficult to drill such as chequer plates, access floors and escalator plates, making retro-fitting easy
- Can be recessed
- Can be removed and relocated

**PRODUCT OPTIONS**

SKIRT	TOP	SLIP RATING	PRODUCT CODE
Stainless Steel	Stainless Steel	R13	CRS005
Stainless Steel	Ivory Poly	R13	CRPIS005-108
Stainless Steel	Yellow Poly	R13	CRPIS005-112
Stainless Steel	Terracotta Poly	R13	CRPIS005-124
Stainless Steel	Ocean Blue Poly	R13	CRPIS005-135
Stainless Steel	Green Poly	R13	CRPIS005-142
Stainless Steel	Grey Poly	R13	CRPIS005-155
Stainless Steel	Black Poly	R13	CRPIS005-160
Stainless Steel	Photo Luminescent	R13	CRPIS005-PL

**MATERIAL**

Marine-grade 316 stainless steel construction.

**APPLICATIONS**

SureSteel® Plates are particularly effective over difficult substrates including:

- Metal flooring
- Carpet with underlay
- Timber decking
- Suspended flooring manufactured from composite steel and concrete
- Access Floors

**DIMENSIONS**

Overall dimension of 300 wide x 600 long x 2mm base plate, with 72 welded 35mm x 5mm tactiles.

**INSTALLATION METHOD**

Suitable to install over any hard surface, SureSteel® Plates are provided with 6 predrilled tapered screw holes and stainless steel screws.

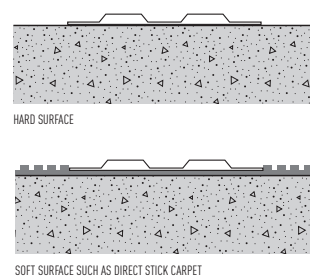

**PRODUCT DATA**

Dimensions	600 x 300 x 2+5
Product Weight	4.4 kg
Packaging Size	610 x 310 x 65
Quantity in Package	5
Package Weight	22.0 kg
AS1428 Compliant	Yes
AS4586 - Wet Pendulum	60 / P5
AS4586 - Oil-Wet Ramp	35.7° / R13
NCC Compliant	Yes
Materials	Stainless Steel
UV Stable	Yes
Warranty	10 Years
Life Expectancy	25+ years
Indoor Use	Yes
Outdoor Use	Yes

**COLOURS**

**INSTALLATION**

**COMPLIANCE**

All CTA products conform with the requirements of the Australian standards and are tested by NATA certified labs.

Please consult with CTA for relevant test reports:

- AS1428:2009 Design for access and mobility
- AS4586:2013 Slip resistance classifications for new pedestrian surface materials
- NCC - National Construction Codes

**LUMINANCE CONTRAST**

Please view the CTA Luminance Brochure for details or contact your CTA representative to discuss or request an onsite luminosity test.

**WARRANTY**

CTA provides a comprehensive warranty, in accordance with our published warranty statement which can be viewed on [cobbletac.com](http://cobbletac.com).

**CTA COMPLETE CARE MAINTENANCE**

Asset owners have a Duty of Care responsibility to maintain access product within design performance parameters. CTA offers a fully integrated maintenance program which includes regular scheduled maintenance and replacement of worn components where necessary. Please contact your CTA representative for information on our "Complete Care Program."

**CTA INSTALLERS**

CTA's accredited installers are available to do the installation work for you – with short turnaround times and guaranteed workmanship. Our installation team is the largest and most experienced in the nation, so you can rest assured you are in safe hands.

**MORE INFORMATION**

Product Installation, list of Approved Products and Material Safety Data Sheets are available on request.
